

2015 Legend Proprietary Red Blend

TASTING NOTES

SPECIFICATIONS

A Legendary Experience:

Inspired by the richness and varietal diversity found in Sonoma, the concept behind Legend was to create a wine immediately accessible, delicious in its youth that would continue to age gracefully, delivering complexity and layers to an already seamless palate.

The Rhône varietals boast a bouquet of wild herbs and rich forest berry fruit. Tannat provides an excellent backbone of tannins and superior focus while adding elegant floral aromatics. The fantastic varietals all blend masterfully with the sensation of ripe, opulent fruit creating a perfect harmony of elegance and richness culminating in a legendary wine experience we hope you will enjoy.

Aromatics:

A complex nose of blackberry and preserved strawberries, cedar and pine needle, smoked pork and jamon serrano, black pepper and pie crust.

Palate:

The supple palate opens with ripe black and red fruits. Profile shifts seamlessly into cured meats and barbeque, cedar, chocolate covered cherries, cinnamon and black pepper and finishes with elegant, soft tannins and excellent length.
