2013 Raidis Estate Cabernet Sauvignon Coonawarra South Australia

SKU #1262450

Classic Coonawarra Cab packed full of blue fruit with lovely tobacco notes and whiffs of mint and eucalyptus. The fruit has great drive and purity. I think Coonawarra is one of the best areas for Cabernet in Australia and this bottle shows why for a pretty inexpensive price. Made by a small family owned operation the Raidis Family. Besides the Margaret River region, Coonawarra cabs might be my close second in quality and complexity. Great blue and purple fruit, some nice earth and tobacco leaves. If you love enjoying Cabernet Sauvignon, and have never tried some from this under rated region, then give one a try - I doubt you'll regret it!
