#### Wine Origin:

The Alisos Barbera vineyard block was created especially for Palmina in 2002 by grafting Barbera onto established vines. After harvesting the first vintage in 2004, the fruit was used exclusively, until 2011. The steep south-facing hills, low yields and cool growing conditions of the Alisos Vineyard produce fruit that is superb and results in a wine that is robust and flavorful.

#### Winemaking Notes:

The 2014 Barbera was harvested by hand in the first week of September. After a gentle whole cluster press, the wine was allowed to cold settle for 3 days before fermentation commenced. The wine was then transferred to neutral French cooperage. The wine remained in barrel, sur-lie for 18 months.

#### Tasting Notes:

The wine is dark purple in color and fills the glass with a savory fruit character of ollaberry and herbs de provence. The palate reveals high-toned red fruit with black cherry and tart blackberry. The velvety texture of the wine, soft tannins, and bright acidity create a perfect food wine.
