

Quinta Milu Ribera del Duero 750ML 2014

Micro-winery
**QUINTA
MILÚ**
RIBERA DEL DUERO

"Brilliant ruby-red. Primary dark berry and cherry pit scents are complemented by candied lavender, pipe tobacco and a subtle vanilla nuance. Sweet and focused on the palate, offering vibrant black raspberry and floral pastille flavors that unfold slowly with aeration. In a youthful, energetic style, finishing with strong thrust, fine-grained tannins and smoky mineral and floral qualities." 90 Points, Josh Reynolds-Vinous

Quinta Milú is the personal project of the winemaker Germán R. Blanco in Ribera del Duero, Spain; a project on a small scale that aspires to produce wines that transmit the location they come from, a small town called La Aguilera, situated in the province of Burgos in the northeast of Spain. From old "Tempranillo" vines, cultivated in a traditional way with utmost respect for their natural environment, we work vine-to-vine with micro-fermentations in each cask, keeping our presence to a minimum. We have revived some of the traditional practices such as treading the grapes, as we like our wines to best express themselves, letting matters take their course. Our wines are aged in different types and sizes of casks and barrels, made from a variety of woods. No two vintages are the same, and of course no two wines are the same in our winery.
