Harvest Dates - Sept 9th-13th
Cooperage - French Oak (50% new)
Aging - 15 months (sur lie)
Bottling - Unfined and Unfiltered
Production - 1500 cases

About This Vintage

The 2013 Estate Vineyard Pinot Noir is our fifth release and it's made from clones Dijon 115(94%) and UCD 23 (6%). Overall, the vintage had optimal growing conditions and yields averaged 3.2 tons/acre. In September we experienced a heat spike, and we harvested everything within a five day period. All fruit was hand sorted and whole-berry destemmed into open-top fermenters for 16-20 day fermentations. The wine was aged in French oak (50% new) sur lie for 15 months before being bottled unfined and unfiltered.

Winemaker Notes

Aromas of dark red fruits, rose petal, black tea and red liquorice. The mouth feel is silky smooth with bright concentrated wild berry, rich strawberry, savory spice and a lingering plush finish.
