

2014 Pinot Noir "Tondre Grapefield"

Quantity

[Add to cart](#)

This single vineyard wine is the result of perfectly tended grapefields at Tondré. The southeast facing slopes and Monterey sea breezes allow for plenty of sun and hang time, which means depth and nuance in our finished wine. After the field, it spends 18 months in a 100% new, Tronçais forest, French oak barrels. European winemaking techniques and French yeast, make this a true grand cru style of wine. Old world and new world coming together, with magnificent results.

Only available in California and Nevada. Delivery requires the signature of an adult, 21 years of age or older.
