

## 2013 ESTATE GEWÜRZTRAMINER

Willamette Valley, OR

Produced from one of the oldest Gewürztraminer vineyards in Oregon, this wine has incredible varietal character. With some spice, beautiful floral notes and stone fruit aromas, it all transitions into a soft textured wine with some bright flavors.

The grapes were harvested with one week remaining in the month of September. The juice was fermented at cold temperatures for a month in order to retain the amazing aromas that this wine has to offer. After fermentation was complete the wine sat in the tank for several months allowing for the wine to settle and develop.
