

TRIOS Proprietary Red Blend 2011

Name & Tasting Notes

Cherry and raspberry fruits with hints of graphite, lemon zest, and vanilla. Further notes of mineral and licorice provide texture and depth. Approachable soft tannins make the wine medium dry with a silky smooth finish. A round, balanced wine with true site expression.

Born from a love of wine, the Trios 'Proprietary Red' 2011 is a unique expression of our special vineyard site in Sonoma Valley's new Moon Mountain District AVA. Notable red soils are the hallmark of the Moon Mountain district. Balancing elegance and structure, Trios speaks of this origin. The wine brings together noble Bordeaux varietals in a classic blend. The blend is driven by Cabernet Sauvignon, and balanced with Cabernet Franc giving both tension and texture to the wine.

Trios is produced with a vision of quality without compromise that informs every step of our wine growing process.
