

“The name BUEYES is in tribute to my great grandfather, who immigrated from Italy in the early 1900’s. He got his first job in Mendoza as a manager of oxen; these strong & gentle animals were perfect for plowing land. Over the years, with hard work & sacrifice, he was able to buy a small property at the foot of the Andes, where he began raising his own vineyards. When choosing a name for my dream, I chose BUEYES in honor of my family, who worked day & night to cultivate the vineyards that give birth to my wines, and to honor these animals, who were the first ones to work this land.”

## BUEYES

## CABERNET SAUVIGNON 2013

**TASTING NOTES:** Penetrating notes of dark plum, mocha, and savory rosemary greet you on this concentrated and pensive Cabernet Sauvignon. Full-bodied and luscious, flavors of crushed blackberries, black currants and dark chocolate lead to elegant tannins on a lengthy, memorable finish.
