

Domaine du Pech Buzet Le Pech Abusé Rouge 2006

Domaine du Pech pick all of their grapes by hand which is why the words "Vendanges Manuelles" are proudly displayed on the label of this wine along with the trademark picture of the ladybird that helps them control insects in their vineyard.

This is a serious red wine with some five years of time to mellow in the huge oak casks capable of holding 100 hectolitres of wine. The blend for this vintage is 40% Cabernet Franc, 20% Cabernet Sauvignon and 40% Merlot.

The nose and the palate demonstrate the elegance of this wine. It has achieved an alcohol level of 13.5%.
