McCay Tempranillo 2012

Arguably the most famous of Spain's native grapes. This vintage shows a vibrant, aromatic nose with spicy, red fruit aromas and flavors. The grape's name translates to "little early one," a moniker that references fruit's early ripening tendency. Tempranillo thrives in Lodi's wonderful Mediterranean climate from the Estate Vineyard Lot 13. Through the palate this vintage exhibits flavors of plum, strawberries and spice with a lingering finish...a wonderful wine to pair with food.
