

# The Other Side

## Wine

The Other Side is a masterful red blend, which will capture all of your senses with cherry and blackberry aromas of our Zinfandel, a rich bouquet of fresh pepper and warm berries of our Syrah, while finishing with a distinct nose of raspberries and cinnamon that come from our Merlot and Malbec combination. This limited production red blend will leave you wanting more of what "this side" has to offer.

## VINEYARDS-LA VISTA

West Paso Robles, CA

La Vista Vineyards can be found in the Adelaide area west of Paso Robles about twelve miles from the Pacific Ocean. The combination of location and elevation allows afternoon and evening breezes to come through the gaps in the Coastal Range to cool the vineyards. Overnight temperatures sometimes drop as much as 50 degrees below the daytime highs resulting in lower yields and intensely flavored fruit.

## VINEYARDS-STILL WATERS

Paso Robles, CA

The vineyard is located in an area with soils and climate perfect for growing premium wine grapes. Soils rich in limestone and shale balanced with loams and clay provide good drainage and proper nutrients for growing grape vines. The ranch is located on hills that slope gently from the north to the south, giving the vines the perfect exposure to the summer sun as it rises and sets in the El Pomar district.
