

WINES

2017 WHITE KUVÉE

A stony, flinty character leads the nose of this Rhone influenced white blend, followed by scents of ripe Georgia peach, nectarine, freshly dried mango, and sweet herbs. The medium-weight palate offers more clean fruit flavors that result in a smooth, ever so slightly creamy mouthfeel. Ample acidity lends freshness to the bright finish, alongside a lingering white flower perfumed character.

Recommended Food Pairing:

Vietnamese fresh spring rolls with mango honey shrimp and Thai basil wrapped in rice vermicelli served with a garlic peanut dipping sauce.
