TASTING NOTES

A Brilliant garnet in Color, this wine is rich with aromas of Plum and subtle notes of Cedar Completing the nose. Smooth and supple in the mouth with silky, medium-full tannins, the Palate offers up Blackberry and integrated oak spice.

HOW THE WINE GOT IT'S NAME

"...With overwhelmingly Positive feedback, growing award recognition, and repeated inquiries about purchasing their wines, 2006 marked the year that the De Novo team took their next steps to make the wine adventure a Commercial Business. During one of their many "official Business meetings" at Café Bastille in San Francisco, the team also decided to commemorate the venue and their new Beginnings By naming their now-signature Bordeaux Blend, Bastille.
