

### Wine Tasting - \$15

#### **Muscardini Pinot Grigio**

2017 Russian River Valley, CA

A classic Italian-styled Pinot Grigio meets Sonoma with aromas of stone fruits, melon, and tropical citrus. Crisp acidity, as well as high minerality lead in the palate along with flavors of nectarine and kiwi. This is a perfect wine to enjoy as an aperitif, or as a pairing with a variety of lighter and leaner dishes such as pesto pasta salad. Looking for a wine to pair with asparagus? Look no further. **\$17.99/btl**

#### **Pier Avenue Rose**

2016 Solano County, CA (100% Tannat)

This rose is a beautiful deep salmon color in the glass with a bright nose of watermelon and strawberry. Our rose drinks similar to a Bandol (Provence) style rose: Bone dry with electric acidity and a full, lengthy finish! **\$19.99/btl**

#### **Arabella Pinotage**

2013 Robertson, Western Cape, South Africa

A distinctively earthy and rustic variety, Pinotage is South Africa's signature grape. In 1925 viticulturists crossed finicky Pinot Noir and productive, heat-tolerant Cinsault, and created, surprisingly, a variety both darker and more tannic than either of its parents. Aromas of tobacco, bacon, licorice, hoisin sauce and dark fruits like plum and blackberry. Pair it with your next beef or lamb stew. **\$14.99/btl**

#### **Alchemy Carmenere Cachapoal Valley 2014**

Lots of ripe fruit with tar and blueberry character. Medium to full body with a juicy finish. Cool interpretation of carmenere, a grape that was initially thought to be Merlot and harvested too early thus producing terrible wines. This has since been corrected due to DNA testing, correctly identifying the grape, and thus harvesting at appropriate times. – 92 Points- James Suckling **\$25.99/btl**

#### **Pier Avenue Cabernet Sauvignon**

2015 Red Mountain, Washington

The palate on this heady 100% Cabernet is packed to the brim with floral aromas and flavors of blackberry, blueberry, black cherry and plum fruit that intermixes with hints of dark chocolate and a fresh shot of espresso. Incredibly pure and complex, this richly textured wine is totally seamless in all of its parts, allowing for its silky texture to shine through on the palate, with no hard edges with an amazingly long and persistent finish. **\$34.99/btl**
