

2015 Baron Cooper | Old Vine Zinfandel | Lodi

This wine was created to welcome the newest member of our family, a rescued dog, and to raise awareness for the plight of all shelter animals in need of new and loving families. Baron Cooper is a Manchester Terrier we adopted from our local Humane Society. We feel very lucky to have Cooper in our family, and we enjoy watching this sweet boy thrive in our care. Cooper is happy, trusting, playful, and gives us great joy and love. His life before he was rescued left him with some fear issues, but with time and patience, he is blossoming into the happy and carefree dog he was meant to be. The Baron Cooper wine brand is dedicated to Cooper and to all pets in shelters across the country. One percent of all the sales of Baron Cooper wines will be donated to Best Friends Animal Society. We are proud to support the nonprofit organization's vital work.

Tasting Notes: Hailing from the amazing 2015 Vintage, our Old Vine Zinfandel is sourced from vines as old as 100 years. The concentrated fruit that was selected clearly shows itself off in this expressive inky sun baked style of Zinfandel. Chocolate, black cherry, cinnamon, crushed espresso beans build up with additional flavors of baked black berry. Soft yet present tannin make this wine perfect to drink standing alone or with a meal.
