

BILANCIA PINOT GRIS 2018

Just in time for Summer 2018. Floral aromatics and a rich, luscious palate. The things we love in Pinot Gris.

Pinot Gris fruit harvested in great condition. Pressed, cold settled, racked and fermented slowly to retain the often subtle varietal fruit characters.

Gentle aromas of floral and fruit carrying hints of the lushness to be found on the palate. A rich and textural palate, important characters for Pinot Gris building from great fruit quality and attention to balance during winemaking.
