CASE PRODUCTION

977

WINEMAKER NOTES

This wine represents a blend of five of the most highly regarded clones of Pinot noir that are found on our Edna Valley estate vineyards. Each year the blend for this wine changes based upon the hand selected barrels that that when combined result in a wine with exceptional character. This wine was aged for 11 months in French oak barrels with 28% of them being new.

TASTING NOTES

Bright red cherry color with aromas ripe black berry, crème-de-cassis, violet and nutmeg. The flavor of black berry is challenged for the lead by crushed stones while ripe black plum, cedar and green tobacco are a prelude to the rich mid palate and fine grain tannins lingering on the finish.
