Domaine des Coutures - L'Étincelle, Saumur Blanc 2016

The subtle Chenin Blanc with the aroma of acacia, exotic lychee and candied apricots - ideal for fish specialties or vegetable salads

The Domaine des Coutures at the Saumur in the Loire Valley has been ranked among those who, with love, passion and foolishness, rank the highest in the six generations. Purely varietal Chenin Blanc matured on sludge and in wooden barrique barrels - thanks to this vinification we can find in the taste and aroma floral notes of acacia, exotic lychee, apricot and peach, fine spices and aroma of candied fruit. Suitable for fish dishes, vegetable salads and light grilled meats.
