

Greco di Tufo

Country	Italy
Region	Campagna
Producer	Antica Hirpinia
Size	750mL
Style	White
Practices	Organic
Grapes	Greco
Other Features	Vegan, Unfined

100% Greco grown on clay/volcanic soil. Fermentation and 6 months aging in cement tanks, including 4 months on the fine lees. The wine rests 3 months in bottle before release. Floral nose with stone fruit. On the palate, the high acidity is mellowed by the aging on the lees, which lends richness to the wine. Hint of salinity for a refreshing finish.

The symbol drawn on the label is the Apocalypse Flower, that can be found on carved stones left by the Knights Templar at Abbazia del Goleto.
