

NP Somm Club Food and Wine Pairing Adventure #14

March, 2020

This month Chef Bernard and I picked a great and very versatile Salmon recipe that pairs well with all 3 wines in the club. In general, Salmon is a rich fatty fish that pairs well with both, white and red wines. Some of the best pairings for reds are Pinot Noir or Gamay because both grape varieties are low in tannins and have great acidity. Many white wines pair well with salmon, and Ribolla Gialla is one of them. It has enough body and complexity to stand up to the richness of the salmon. So, pick your personal preference and enjoy!

Blue Corn Sunflower Crusted Alaskan King Salmon

Apricot Kasha Pilaf (Serves 4)

Tarragon Pesto crusted Salmon

Butternut Leek Farro Casserole (serves 4)

*The ancient Romans ate a paste called **moretum**, a precursor to pesto, made by crushing cheese, garlic and herbs. In the modern Ligurian adaptation, basil, pine nuts and olive oil, all grown in abundance in the region, are added to the paste. The ingredients are ground by hand in a mortar and pestle, using a circular motion. One of Italy's most prized sauces, this fragrant, green treasure will make your salmon a superstar. The pesto can be refrigerated for up to 2 days. Pour a thin film of olive oil over the surface to prevent discoloration then cover tightly. Experimenting with your favorite nuts and garden herbs will expand your pesto repertoire.*
