

Vin et Paires

50% Cabernet Pfeffer
40% Touriga Nacional
10% Zinfandel

Cab what? Time to get to know the other Cabernet... Pfeffer, pronounced "FEH-fir" is the German word for pepper. This varietal adds floral notes and red fruit, plus lots of pepper spice, hence the name. It doesn't have the big tannins of Cabernet Sauvignon, which is why we blended in Touriga Nacional, a full-bodied red wine from Portugal, and a splash of Zinfandel for its jammy fruit contribution, to round out and balance the blend perfectly.
