

## **Château Dubard Bel Air Red Puisseguin St Emilion Vignobles Dubard**

*The Dubard Family is for more than 30 years, the most famous producers of refreshing and reasonably priced wines in South-West France. The family members offer differing personalities of graduate oenologists, wine makers and viticulturists who together make up a dynamic and passionate team that has been renowned in the Bergerac wine region for decades. Being receptive to their terroir, combining common sense and long experience with ceaseless wine-making and viticulture: these are the founding principles on which the family has relied in their exceptionnel cuvées. They are also ongoing on the environmental label "HVE" (High Environmental Value).*

90% Merlot - 10% Cabernet Franc.

Château Bel-Air completed in June 2011 the range of Vignobles Dubard, a group of family-owned wineries in the areas of Bergerac, Francs-Côtes-de-Bordeaux and Lalande de Pomerol. The label designed by the Dubard family pays homage to the cult of the former parish of Puisseguin to the Sacred Heart of Jesus. Vineyards in the area of St Emilion are situated on a calcareous plateau dug by erosion and dominating the Dordogne valley. The soils of Puisseguin St Emilion can be distinguished by their higher content of calcaire. Vines : 26 years old - 8.34 Ha - Yield : 45HI/Ha

Alcoholic fermentation and maceration (3 to 4 weeks in total) in temperature-controlled stainless vats.

12 to 18 months ageing in French oak barrels (30 % new oak barrels).

The well-integrated tannins first offer a silky palate to reveal afterwards altogether a dense structure and a fresh mouth with liquorice and fruits of the forest aromas.

Red or white meat, roast poultry, local dishes, cheese ...
